HARTSFIELD WOODS HOA
P.O. Box 3401
Tallahassee, FL 32315

Together, let's keep our neighborhood clean and beautiful! A clean yard is more than just a beautiful sight. It's an investment in our community's well-being and a reflection of our shared values. Here are a few tips on how to spruce up your yard and do your part in beautifying our community:

- Mow your lawn regularly and weed flower beds and pathways.
- Pressure Wash your siding and driveways. Sweep driveways and sidewalks to keep them clean and debris-free.
- Dispose of waste properly and recycle. Do not place items such as glass, mirrors, paint cans, batteries, tires or hazardous waste in the "bulk trash" pick-up areas. Glass and mirrors need to be properly recycled so glass fragments are not left in the yard and street.
- Clean gutters.
- Trim trees and hedges to maintain a neat and tidy appearance.
- Clean your mailbox
- Always clean up after your pets to ensure our neighborhood stays fresh and clean.
- Avoid cluttering your yard with excessive decorations or unused items.

Let's work together to make Hartsfield Woods the best place to call home. Thank you for your commitment to keeping our neighborhood clean and vibrant!

Please see the Trash Rules and Guidelines on the reverse side.

Changing the exterior of your home? **An ACC request must be submitted through the HOA website and approved before replacing a roof, removing trees or making any exterior structural changes.**
